\$ 70.00/Ton

This category is for Concrete, Rocks, Bricks and Asphalt Paving.

Demolition / Renovation Debris

\$100.00/Ton

This category is for Co-Mingled loads of wood debris from building demolition / renovation projects.

BEFORE LOADS WILL BE ACCEPTED: Documentation proving that an A.H.E.R.A. inspection was completed must be provided.

IF ASBESTOS CONTAINING MATERIALS WERE DISCOVERED: Documentation proving the asbestos containing materials were removed must be provided.

All mercury containing building materials must be removed such as but not limited to, thermostats, silent switches, float switches and fluorescent light tubes. Loads including mercury containing materials or evidence of mercury containing materials (broken lights) will be rejected.

Lead-Based Paint must be removed. We use XRF technology to detect lead in paint. If lead is detected, the load will not be accepted for recycle.

Materials we will not accept:

Asbestos at any level, (Must be Non-Detectable)

Lead in Paint identified using XRF

Mercury Containing Devices

Medical Waste

Minimum Load Charge: \$30.00

Plant Receiving Hours: Monday– Friday 6:00 AM to 5:00 PM (Closed Saturday and Sunday)

A Permitted Facility, Specializing in Construction, Demolition & Land-Clearing Debris Recycling
