New & Used Unpainted-Unstained-Untreated Wood

\$20/Ton

This category is for loads that are all wood, including: Pallets, Wire Cable Spools, Untreated Poles, Untreated Timbers, Plywood, Oriented Strand Board (OSB), Medium Density Fiberboard (MDF), Particleboard, Parallam™ OSL and similar products. This wood may include embedded metal such as nails or screws.

This category does not include wood that has been painted, stained or treated

Land-Clearing Debris

\$40/Ton

This category consists of Stumps, Brush and Tree Limbs, whole or chipped.

This category does not include Blackberries, Scotch-broom or Ivy.

Co-Mingled Construction Debris and Shipping Crates

\$90/Ton

This category is for Concrete Form Boards, Shipping Crates, L.P. Siding, Laminated Wood Products, Cedar Shakes (w/o Tarpaper) and Co-Mingled loads from NEW construction job-sites. Typical construction waste such as: wood, steel, wire, aluminum, concrete and cardboard may be included in the load.

Excessive quantities of pressure treated wood, foam packaging or foam insulation, film plastic, rigid plastic and plastic pipe, fiberglass insulation, ceiling tiles, carpet, carpet pad and Hardi-board can result in a load being rejected.

Demolition / Renovation Debris

\$90/Ton

This category is for Co-Mingled loads of wood debris from building demolition / renovation projects.

BEFORE LOADS WILL BE ACCEPTED: Documentation proving that an A.H.E.R.A. inspection was completed must be provided. **IF ASBESTOS CONTAINING MATERIALS ARE DISCOVERED:** Documentation proving the asbestos containing materials were removed must be provided.

All mercury containing building materials must be removed such as but not limited to, thermostats, silent switches, float switches and fluorescent light tubes. Loads including mercury containing materials or evidence of mercury containing materials (broken lights) will be rejected.

Lead-Based Paint must be removed. We use XRF technology to detect lead in paint. If lead is detected using XRF, the load will not be accepted for recycle.

Excessive quantities of Pressure Treated Wood, Hardi-board, Ceiling Tiles, Fiberglass and Rigid Foam Insulation and Film Plastic can result in a load being rejected.

Concrete

\$65/Ton

This category is for Concrete, Bricks, Rocks and Porcelain. Must be clean and free of wood, rubber, plastic, etc. May contain rebar and reinforcing mesh.

Minimum Load Charge: \$25.00

Materials we will not accept:

Asbestos at any level, (Must be Non-Detectable)

Creosote Treated Wood

Medical Waste

Lead in Paint identified using XRF

Mercury Containing Devices

Roofing Tear-off

Plant Receiving Hours: Monday – Friday 6:00am to 5:00pm

(Closed Saturday & Sunday)

A Permitted Facility, Specializing in Construction Demolition and Land-Clearing Debris Recycling
